Positive celebration of Students and staff	5 min	Welcome to our new interim custodian, Frank Paglia. BINGO was a big success – thanks PBIS. Congratulations to Nicole Galbraith who recently won a writing award for a short story that she wrote – way to go Nicole! Thank you for the staff BINGO – awards are already in use! Door decorating contest was great and nice way to jazz up the halls.	
Mid-Year Survey <ul style="list-style-type: none"><li>Finalize mid-year survey, select dates of survey</li></ul>	20 min	We reviewed the draft survey and made some revisions. One goal is to create a standardized survey with questions/statements that carry over each year so we can more effectively track growth.  We also began to brainstorm some ideas for June survey – focus on building morale, connectiveness of staff and faculty, etc.	
New/Repair equipment in Faculty Work room (rm 626)	5 min	Look at what is broken and something that could be considered a safety issue. Create an inventory and look to see what we could get rid of and improve upon.
