| Parent Conferences <ul style="list-style-type: none"> • Feedback on spring date | 10 min | <ul style="list-style-type: none"> • Spring attendance/follow through seemed better • Possibly look at dates between the start of semester 2, but before the 5 week point (Feb)? BPT will talk about this at a later meeting • Continue to offer the zoom option (positive) |
| Final Exams <ul style="list-style-type: none"> • Update | 5 min | <ul style="list-style-type: none"> • Everything is still being determined, working through options – not sure if they are canceling Regents, not sure what elementary schedule is yet • More information coming through teacher leaders/Dept in future |
| Department Awards <ul style="list-style-type: none"> • Format for selecting recipients • Ceremony | 10 min | <ul style="list-style-type: none"> • Possible format: Run award ceremony during advisement for team awards (6 students for 6th, 4 for 7th, 4 for 8th and the larger 8th grade awards), virtual recognition for department awards Feedback: How will parents feel about this? Now is the time to make a change if we are doing it, positive of that is being able to give more department awards, time of advisement might not be great for all • Video/Virtual recognizing students who got awards, still sending letters • Need to revisit guidelines for awards (Fall minutes – 9/13) 2 awards per section they teach, teacher discretion on how to divide between the two categories |
| Community Circles <ul style="list-style-type: none"> • Feedback • Plan for next year | 10 min | <ul style="list-style-type: none"> • Discussion today on format of circles, but we are planning on continuing circles next year regardless • 2x/month and length feels like too much • Some classrooms are having student leadership within circles • There are some different styles/processes depending on which circle you're looking at.... some of this due to length of time given and sponge activities |

|---------------|-------|---|
| | | <ul style="list-style-type: none"> • Groups for next year – are we keeping them the same? (keep longer time for new groups for 6th next year at beginning of the year), some feelings of disconnect when students don't have same teacher • Be mindful of groups when scheduling next year • Some questions on question topics for next year- do we need to look at questions for specific grade levels? , do we need to take time in circles for deeper conversations? , utilize planning time in summer to come up with high quality questions/thoughtful topics • Could we survey students? (question topics, feedback on circles in general, SEL, activities versus conversation) Could we survey faculty for questions? • Need a plan for training new hires at Cosgrove |
