Positive celebration of Students and staff		<ul style="list-style-type: none"> • A lot of people wanted to give a shout out to Miss Kelly, our new security guard. She's great with the students and she has been an excellent presence in the building. • Thank you to Cosgrove LOTS for the dinner before Curriculum Night! • Many students have been really friendly in general and have been really responsive to correction in the halls. • Jess Wiedenhofer has been really helpful with her book tastings by bringing the mobile book cart to classes and Advisements. • Students are really excited about clubs and activities starting up!

Jim said he plans to share information about our plan with the Cosgrove faculty at our upcoming conference day. • Ms. Swann also asked about our summer program/outreach and where that fits within the plan. Jim said that we included that in the SCEP plan rather than the BPT plan. • She also asked about specifics with regard to CFC coaching work, which Jim said is shared through Teacher Leader meetings rather than BPT meetings. • Ms. Swann also stressed the general need for all of our various work to be fully and clearly integrated within the plan. • Ty talked about how we will eventually need to incorporate Digital Fluency Standards into our instruction. • Ty also brought up Panorama, which is a survey for us to assess where our students are with regard to the 5 CASEL competencies (SEL). • Kristen asked about Learning Walks and whether or not we have a system in place or a protocol since this has been something that many buildings have expressed interest in. We shared the process we used a few years ago, but we still have to iron out some details. 	We will make some revisions to our plan based on the feedback we received.  CMS Draft BPT Plan ...

Open house <ul style="list-style-type: none"> • Feedback on the night 	10 min	<ul style="list-style-type: none"> • Some teachers liked the flexibility and said parents didn't mind waiting. • Other teachers said classrooms were packed all night and it was a bit awkward at times. • Teachers had to give the same spiel way too many times. • One idea was to give parents name tags with their names, their students' team and name as well to avoid confusion. • In general, it seems like we need to make some sort of change. • We will talk about this more at our next BPT meeting.
